

## Igniting the Fire!

Oh, how long we have prayed!  
The full Gifts we were taught!  
Long since hamper'd by evil,  
As Your Will we have sought!

We will answer Your calls.  
I repent of my sin.  
We pray for commissioning,  
Let the harvest begin!

We seek the Spirit's lead:  
Pour out Heavenly Fire –  
Impart Knowledge and Wisdom  
And Boldness and Power!

Each Torch of the Spirit  
We now pray to ignite;  
While here we are gathered  
And the Spirit says 'Fight!'

So Armour'd and Favour'd,  
And each Saint now Equipped,  
We will go forth in numbers  
And reap fields until stripped.

We'll now serve in the fields,  
Thank you, Holy Spirit,  
There to build, and not in vain,  
Through the fires that You've lit.

Let every Torch flare  
For each Saint to uphold:  
Signs and Wonders - to gather  
This end Harvest foretold!
